MODERN PACKAGING

(Section 2 and part of regular edition—Vol. XIII, No. 1, September, 1939)

VOLUME 12

SEPTEMBER 1938 TO AUGUST 1939

GENERAL ALPHABETICAL INDEX

A

	Month	Page
Abbott Laboratories—Sampling is advertising; colorful mailers	June	43
ABRASIVES		
Lint contamination; protective packaging	October	28
Absorbent Cotton Co.—Dispensing device	January	60
ADHESIVES		
Case sealing glue developed by Williamson Glue and Gum Works	May	92
Counter displays; failings	August	72
Grip-Tite label paste, all-purpose labeling adhesive marketed by Paisley Products, Inc	December	76
ADVERTISING		
Budgeting display programs; survey by Institute of Package Research	July	55
Cross advertising through nail and brad cartons of Wickwire Spencer Steel Co	October	32
Display gallery	September	66
	October	66
	November	62
	December	58
	January	72
	February	70
	April	68
	May	74
	June	63
	July	58
	August	74
Goodwill through plant visitors	June	23
Merchandizing plans of Ben Burk Inc. (Old Mr. Boston whiskey and gin)	October	98
Miniature bottles for sampling	January	47
Modernizing of promotional material to present modernized packages (Laux wall products); I. F. Laucks, Inc	May	66
Photometric analysis of packages. Wentworth Weeks	February	45
Printed transparent inserts used by retail stores as envelope stuffers	July	37
Program of Seagram Distillers Corp.; mass production displays; tie-in with newspaper advertising	October	59
Sampling is advertising; colorful mailers of Abbott Laboratories	June	43
Urban markets and retail sales; study by John E. Brennan; relation to package promotional activity	February	39
ALCOHOLIC BEVERAGES		
Advertising and sales promotion campaign of Seagram Distillers Corp.; mass produced displays	October	59
Advertising Teacher's Scotch whiskey on the golf links; Schieffelin & Co	September	42
Beer labels for Alpen Brau brand; Columbia Brewing	February	89
Bellwether of the Calvert line; distinctive tone of quality in "Lord Calvert" bottle	July	24
Capturing community goodwill through window displays; Seagram Distillers; Calvert Distillers	May	69
Decanter bottles as holiday gift containers; Ben Burk	October	48
Display budget; proportion of total advertising	July	82
"Domesticated" wine bottles; designs of Quality Wine Co. (California)	October	44
Holiday cartons; Calvert's Old Drum whiskey	December	43
"Localizing" national units; mass produced displays of Hiram Walker brands, Barclay's whiskies, Oldetyme Distillers	February	67
Modernized beer label of Jackson Brewing Co	November	91
New York State Liquor Authority rulings affecting use of window displays	September	86
Personalized imprints for whisky; hand molded decanter type bottles; hand packaging. Brown-Forman Distillery Co	December	25
Plant advertising; planning for visitors	June	25
Plastic containers, silver-lined; Metaplast Corp	March	244
Pottery wine containers; Meier's Wine Cellars, Inc	January	39
Seagram's pop-up display	December	57
Tamper-proof containers	October	54
Waterfall (photographic) display for Coors beer	June	65
Window displays appealing to dealer. W. J. Walker	November	98
ALL-AMERICA PACKAGE COMPETITION		
Announcement of 1939 All-America	August	47
Awards, 1938		
Description of prize winners	March	181
Illustrations of prize winners	March	117
Honorable mentions, 1938	March	198
How to judge a package competition (illustrations)	March	102
Judges	August	46
Machinery group	March	263
Major trends in 1938 exhibits	March	104
Practical advantage to manufacturers and dealers	March	103
Presentation dinner, 1938	April	41
Reason for sponsorship by *Modern Packaging* explained by Charles A. Breskin	April	97
ALUMINUM		
Aluminum (reviewed). Douglas B. Hobbs	August	92
Restyling program of Aluminum Co. of America; cartons, drums, tin and fibre cans, paper bags, labels and tags	June	50
American Association of University Women—Attitude toward consumer movement	September	33
American Can Co.—Canned Food Reference Manual	August	92
American Fork & Hoe Co.—Metal holder for display of garden tools	April	94
American Home Economics Association—Attitude toward consumer movement	September	33
American Management Association—Sponsorship of Packaging Conference and Exposition	April	39
	July	78
American Medical Association Seal of Approval on Cradle Baby jams	December	50
American Optical Co.—Demonstrator display of Polaroid day glasses	July	57
American Stove Co.—Wire stiffened display unit	October	64
Ansehl, Benjamin Co. (The)—Combination of display and gift box for promotion of Vivani perfume	May	46
Apothecaries Hall Co.—Cellophane-lined polishing compound container	June	54
Australian packaging. *See* Foreign packages.		
Automobile accessories. *See* Hardware.		
Axel, Leon A., Ltd.—Display-carton for Rainsuiter (2-piece garment for rain wear)	January	67
Ayer, Harriet Hubbard, Inc.—"Yu" line in "U" shaped bottles; set-up boxes	November	48

B

	Month	Page
BAGS		
Bag packaging machine; U. S. Box Machinery Co	January	90
Cellophane bags for shavers; Schick Dry Shaver	October	78
Fabric containers; made by aid of sewing machines	January	62
Foot power bag sealer, by Amsco Packaging Machinery, Inc	February	82
Sealing machine; Amsco Packaging Machinery, Inc	March	288
Seamless latex sacks for packaging meat products; Dewey & Almy Chemical Co	April	73
Suspended head bag closing unit; Union Special Machine Co	March	288
Used golf ball bag designed to advertise Teacher's Scotch whiskey; Schieffelin & Co	September	42
See also Paper bags; Pliofilm bags		
Bailey Manufacturing Co.—"Little Pig" mustard bottle for re-use as child's savings bank	February	87
Bakelite. *See* Plastics		
Baker, Walter, Co.—Foil wraps for chocolate bars	January	38
Barclay's whiskies; mass produced displays; localization	February	67
BARRELS		
Shortcomings as apple containers	January	31
Baskets. *See* Fibre containers		
Bausch & Lomb—Box in book form for slide library	January	58
Beckard Line, Inc.—Stationery packaging; use of cork, novelty designs for children, etc.; re-use values	April	45
Beer. *See* Alcoholic beverages.		
BEVERAGE INDUSTRIES		
Bulb cartoning machine of Sparklets Corp	March	265
Carry-pack; set-up procedure	August	102
Carry-packs win mass display; Krueger Beverage Co	November	54
Code of standards adopted by Concord Grape Juice Institute	May	94
Fruit beverages in foreign countries	August	84
Plant advertising; planning for visitors	June	88
Sparkling bottles produce sales; beaded design and striking labels of Harkavy Beverage Co., Inc	January	66
Blackhawk Mfg. Co.—Plastic precision tool case	February	30
BOOK REVIEWS		
Aluminum by Douglas B. Hobbs	August	92
Applied Time and Motion Study by Walter G. Holmes	December	84
Canned Food Reference Manual; American Can Co	August	92

Printed in U. S. A. Acceptance under the Act of June 5, 1937, at Easton, Pa. Authorized October 7, 1936

	Month	Page
Color and Colors by Matthew Luckiesh	December	84
Consumers and the Market by Margaret G. Reid	December	84
Displaying Merchandise for Profit by A. E. Hurst	August	92
Effective Marketing by L. Rohe Walter	March	302

Purpose in Design by A. Defries	November	89
Servants of Modern Industry; booklet on Monsanto Plastics	June	72
Urban Markets and Retail Sales by John E. Brennan	February	39
Borden Sales Co., Inc.—Footlight trim; display device capitalizing on little used window margin space	November	59

BOTTLE CLEANING MACHINES

Brush Hydro for use in carbonated beverage bottling plants marketed by Miller Hydro Co	February	84
Operation at Roman Cleanser Co. plant	December	70
Semi-automatic air cleaner; Pneumatic Scale Corp.	November	76
Bottle filling machines. *See* Filling machines.		

BOTTLES

Carding for dime store counter	December	33
Decanter bottles as holiday gift containers for gin and whiskey; Ben Burk Inc	October	48
Decanter type, antique amber, hand molded, personalized imprints for Old Forester whisky; Brown-Forman Distillery Co	December	25
Decanter type for "Lord Calvert" blended whiskey	July	24
Demijohn shape for cologne; Roger & Gallet	April	93
"Domesticated" wine bottles of Quality Wine Co	October	44
Enamel in a bottle; Colfanite Products Co; Mandus Bridston	October	35
"Functional" ink bottle for Tip Flo lettering ink; M. Grumbacher Co	May	56
Gift container for Italian Balm; Campana Sales Co	September	41
Grape-cluster cologne bottle; Irving W. Rice & Co	July	31
High-speed automatic bottle filler marketed by Pneumatic Scale Corp., Ltd	August	86
Labeling by improved devices of N. J. Machine Corp	September	80
Lighter weight trend; stock and private mold improvement; techniques affecting design. E. G. Ackerman	June	40
"Little Lady" scores a hit; perfume in bottle blown in shape of old fashioned lady in billowing hoopskirt; Eisenberg & Sons	April	46
Miniature bottles for perfume, sampling, display	January	46
Mustard bottle designed for re-use as child's savings bank; Bailey Manufacturing Co	February	87
Scallop shape design with solid glass foot and scalloped design stopper; Carr-Lowrey Glass Co	October	82
Sparkling bottles produce sales; beaded design of Harkavy Beverage Co., Inc	January	66
"Swirl" motif; Krueger Beverage Co	November	54
"U" shape for Yu line of Harriet Hubbard Ayer, Inc	November	48
Vacuum filler for small bottles developed by U. S. Bottlers Machinery Co	May	88

BOXES

Knock down boxes for department store merchandise	August	64
Novelty shapes for holiday trade	May	33
Satin-covered set-up box for Chatham blankets	July	23
Stationery boxes of cork and other materials; novelty shapes and designs; re-use values	April	45
Transparent drum-type box with transparent dividers for face cream capsules	July	31
See also Folding Boxes and Display Cartons; Metal Containers; Plastics; Set-up Boxes; Transparent Containers.		
Boxfoldia, Ltd.—Execution of "rush" order for cartons to hold civilian respirators	November	92
Brainard, Margaret, Inc.—Face cream capsules in transparent drum-type box	July	31
Brands. *See* Trademarks and Brands.

Brown-Forman Distillery Co.—Personalized imprints for whisky	December	25

BRUSHES

Display device of Osborn Manufacturing Co	September	64
Metal wall fixture for brushes; Wooster BrushCo	August	73

BUILDING INDUSTRY

Life throws a party; house planning promotion by selling miniature packaged houses	November	46
Bulova Watch Co.—Illuminated display; tie-in with radio	December	60

BUNDLING MACHINES

Operation of machine marketed by Miller Wrapping and Sealing Machine Co	August	89
Burk, Ben Inc.—Decanter bottles as containers for liquor	October	48

C

Cain, John E. Co.—Unified labeling for jars of varied shapes and sizes	February	36
California Date Growers Assn.—Moisture control containers	April	42
Calvert Distillers Corp.—Bellwether of the Calvert line; distinctive tone of quality in "Lord Calvert" bottle	July	24
Old Drum whiskey; gift packaging	December	43
Window display combining hand-colored papier-maché figures with a lithographed background	May	69
Campana Sales Company—Automatic plant; All-America prize winner; description	March	266
Gift container for Italian Balm	September	41
Canadian packaging. *See* Foreign Packages.		
Canadian Trade Index	July	76

CANDY AND CONFECTIONERY

Ball schedule window display of Page & Shaw, Inc.	September	65
Foil wraps for chocolate bars; Walter Baker Co	January	38
Novelty packages	May	33
Photoelectric register control unit sheeting roll material into wrappers for fudge. W. D. Cockrell	July	65
Printing and wrapping combined for cellophane wrapped "Tootsie" caramels; machinery award in All-America Package Competition; Sweets Co. of America, Inc. (Rose Bros. machines)	March	272
Production set-up of New England Confectionery Co. (Necco plant)	June	34
Transwrap machine for packaging candy, its development and operation in Heide plant	September	71
Cans. *See* Fibre containers; Tin cans.		
Capex Co. (The)—Wire stiffened corrugated board (Rigicor) permitting 3-dimensional display effects	October	64
Carson Pirie Scott & Co.—Perpetual redesign program	February	31
Carter Products Co.—Packaging of garden hose accessories	April	94

CARTONING MACHINES

Cartridge cartoning; Sparklets Corp	March	265
Cartons. *See* Folding boxes and display cartons.		
Cat's Paw Rubber Co., Inc.—Rubber heel cartons and metal cement containers	July	38

CELLOPHANE

Cosmetic wrapping; Germaine Monteil	January	45
Fresh fruit wraps	January	31
Hardware wrapping; Irwin Auger Bit Co	September	40
Life size figures (snow man, bride, etc.) as containers of small gifts; Neiman-Marcus Co	May	42
Lining for fibre containers of Ahco Lime Finish	June	54
Printing and wrapping combined for cellophane wrapped "Tootsie" caramels; Sweets Co. of America, Inc	March	272
Suitability for product; nature of design for bags, etc.	December	34
"Thin-wrap" machine for cellophane wrapping thin or flat packages developed by Miller Wrapping and Sealing Machine Co	November	78
Transparent cylinder package, "Cel-O-Can" announced by Milprint, Inc	December	78
Wrapping for shavers; Schick Dry Shaver Inc	October	78

CELLULOSE

Confectionery wrapping by Transwrap machine in Heide plant	September	71
Dispenser for thread or yarn; Dritz-Traum Co	February	48
Foil-and-cellulose milk bottle hood	September	58
Lining for fibre containers of New York Quinine and Chemical Works	September	46
Printed inserts used as envelope stuffers	July	37
Rigid transparent cellulose combined with wood for hosiery gift packages; Propper-McCallum	November	31
Sealed envelopes for cosmetics on dime store counters.	December	33
Shredded cellulose as packing for jelly tumblers enclosed in walnut box; Arden Farm Store	May	62
Transparent cover for display box for perfume	April	46
Transparent liner for strawberry container; quick freezing process; Olney & Carpenter, Inc	August	79
Transparent tubes containing minerals found in Vi-Syneral; display unit of U. S. Vitamin Corp	February	98
Wrapping for fishing line package; Ashaway Line & Twine Mfg. Co	February	58
Wrapping for frozen food products	January	41

CELLULOSE ACETATE

Lid for set-up box housing cologne bottle	July	31
Vue-Pak (transparent cellulose acetate sheeting); Monsanto Chemical Co	January	86
Windows in tin canisters	December	76

CHAIN STORES

Carding small items—26 ways	December	33
Charles of the Ritz—Garden theme in packages and display of Summertime—a Fragrance	July	63
Chatham blankets in quilted satin-covered set-up box	July	23

CHEMICALS

Acid resistant closure of Polystyrene molding with woven glass liner; Merck & Co., Inc	September	60
Cellulose lined cans for products of New York Quinine and Chemical Works	September	46
Five-way counter display of International Salt Co	September	63
Package cut-outs for adults; "Sally Myles Teasers", Myles Salt Co., Ltd	September	49
Sampling packages of bicarbonate of soda; Columbia Alkali Corp	July	30
See also Drug trade.		

CHILDREN'S PACKAGES

Book becomes a package; practical applications of Roll-A-Books	June	46
Molded glass jars in unusual shapes for candy, etc.; re-use as banks	May	36
Stationery for juveniles; re-use values of containers; Beckhard Line, Inc	April	45
Tin pails and megaphone shaped containers for cookies; Golden Bear Cookie Co	June	48
Christmas packages. *See* Gift packaging.		

CIGARS

Amusement display of Harvester Cigar	June	84
Fibre container	May	33
Molded plastic gift box	May	39

CLOSURES

Acid resistant closure of Polystyrene molding with woven glass liner; Merck & Co., Inc	September	60
	November	42
Cel-O-Seal for grape-cluster bottle	July	31
Crown type for dispensers of carbonated products; Effervescent Products Ltd	March	240
Dispensing closure for powderes; Merkle & Elberth	March	288
Dispensing closures for condiments, syrups, etc.; The Food Dispenser Co	December	76
Friction plug closures for containers of dry packed frozen vegetables	January	41
Hand-painted tops for jelly and jam glasses; Arden Farm Store, Winston-Salem, N. C	May	62
Ivory molded closure for glass bottle with molded urea base; Roger & Gallet	April	93
Lever closure for metal pails and large cans presented by Wheeling Corrugating Co	October	84

	Month	Page
Metal for pottery and wood containers, glass for bottles; Courtley toiletries	December	48
Metal screw cap for dispensing containers for yarn	February	48
Metal shell cap for Italian Balm bottle; Campana Sales Co	September	92
Molded, dome shaped, for decanter type of bottle	July	24
Mushroom top flange cork with wax-sealed ribbon for decanter type bottles; Brown-Forman Distillery Co.	December	25
Next dose caps of plastic designed by Mack Molding Co	November	78
No-Kap closure for metal containers; Scovill Manufacturing Co	September	84
Non-removable tube closure; Cealcap Sales Co., Inc.	May	92
Paper closures for quick-frozen squab containers; Hubbell Squab Co	September	78
Pin type for metal tube containing fire extinguisher	December	44
Slotted closure for mustard bottle to be re-used as child's savings bank; Bailey Manufacturing Co	February	87
Tamper-proof cap; Guardian Safety Seal Co	January	86
Tamper-proof protections	October	30
Tear-strip vacuum cup for Nalley's mayonnaise tumbler	December	41
Transparent milk bottle hood	September	58
Vacuum-sealed cap for Cradle Baby jams	December	50
Vari-colored caps for bottles in display unit of Summertime—a Fragrance	July	84
Viscose for pottery containers; Sylvania Industrial Corp	May	35
White viscose closures for "Domesticated" wine bottles	October	97
Clothing. *See* Haberdashery; Hosiery; Textile Products; Underwear.		
COATINGS		
Dolite (high gloss coating with protective qualities) plants of the Dobeckmun Co	March	300
Moisture resistant cellulose, papers, etc	October	26
COATINGS FOR PAPER		
New paper lacquer developed by E. I. du Pont de Nemours & Co., Inc.; protective features, coloring, etc.	September	84
Pyroxylin coated sheet; Artcote Papers, Inc	June	68
Code marking and dating. P. W. Stone	January	82
COFFEE PACKAGING		
Automatic envelope machine forming, filling and sealing individual foil packets; G. Washington Coffee Refining Co	April	76
Tintie coffee bag closing machine developed by Benj. C. Betner Co	January	88
Winners of *Spice Mill* packaging contest	December	36
Colfanite Products Co.—Enamel in a bottle. Mandus Bridston	October	35
COLLAPSIBLE TUBES		
Colton tube closing machines; development tinto filling and closing machines	November	84
Fire extinguisher container; Quixy, Inc	December	44
Listerine Tooth Paste and Shaving Cream containers; Lambert Pharmacal Co	September	38
Tamper-Proof by nature	October	56
Thermo-plastic rubber compound for lining tubes; Sun Tube Corp	June	68
Wax coating machine for internal coating of tubes developed by A. H. Wirz, Inc	November	82
COLOR		
Canadian can labels	March	258
Color and Colors (reviewed). Matthew Luckiesh	December	84
Family color resemblance for Listerine products	September	39
Group differentiation; Woodbury Co	December	27
Sample mailers and broadsides of Abbott Laboratories	June	43
Shading in labels for varied products of J. E. Cain Co.	February	36
Tri-color ham containers; Cudahy Packing Co	October	31
COLOR PHOTOGRAPHY		
Holiday cartons for Calvert's Old Drum whiskey.	December	43
Standard practice in display	March	108
Waterfall (photographic) display for promotion of Coors beer	June	65
Columbia Alkali Corp.—Sampling packages of bicarbonate of soda	July	30
Columbia Brewing Co.—Labels for Alpen Brau beer	February	89
COMPETITION		
Costly packaging; consumer education as to value of.	February	40
Effect on garden supply packaging	April	31
Conmar Products Corp.—Trademark display for zipper	April	65
CONSUMER CONVENIENCE		
Cardboard girdle folder with size chart; Carson Pirie Scott & Co	February	31
Carry-packs stimulate sales; Krueger Beverage Co.	November	54
Detachable recipe cards on All-Bran packages of Kellogg Co	May	54
Distributing devices for seed containers	April	36
"Functional" ink bottle for Tip Flo lettering ink; M. Grumbacher Co	May	56
Raised ridge on mayonnaise tumbler, providing ease in handling; Nalley's Inc	December	41
Consumer cooperatives	September	31
Consumer-Retailer Relations Council—Origin, objectives, progress	September	98
CONSUMERS		
Consumers and the Market by Margaret G. Reid; comment	December	84
Education as to advantage of costly packaging	February	40
Education re. functions of labeling	May	118
Growth of the consumer movement; results of survey by National Consumer-Retail Council	May	98
Helping the consumer; objectives in window displays.	July	62
Organized consumer movement; effect on packaging.	March	104

Consumer's Research—Membership and service	September	30
Consumers Union—Origin; service	September	30
Container Corp. of America—Handbook of the Federal Food, Drug and Cosmetic Act and enforcing regulations	June	72
CONVEYORS		
Advertising value when viewed from outside of building through glass walls	June	88
Belt line operations in packaging, inspection and shipping departments of Schick Dry Shaver Inc	October	76
Candy plant of New England Confectionery Co. (Necco)	June	34
Layout of strawberry packing room; Olney & Carpenter, Inc	August	79
Light weight conveyor (Filco Easy Ride) developed by The Filter Paper Co	April	80
Moving seed library to fill display stands; Ferry-Morse Seed Co	September	76
Norwich Pharmacal Co. system	March	276
Packaging line of Good Luck Food Co	October	71
Portable conveyor units developed by The Alvey-Ferguson Co., Inc	March	298
Portable gravity roller conveyor developed by Jervis B. Webb Co	June	67
Pre-determined counting device developed by Standard Conveyor Co	November	80
System in rebuilt plant of Norwich Pharmacal Co.	November	66
System of conveyors and elevators at Campana Sales Company's automatic plant	March	268
Three-in-one conveyor system at Corning Glass Works solving packing, storage, and shipping problems	November	70
Use in connection with dry and liquid filling lines of The J. R. Watkins Co	December	65
Cooperative displays, a form of localization for mass produced displays	February	94
Coors, Adolph Co.—Waterfall (photographic) display for promotion of Coors beer	June	65
CORD		
Card stringing elastic with metal tips manufactured by J. Radley Metzger Co	April	82
South Dakota legislation re. binder twine	April	92
Cork stationery boxes	April	45
CORKING MACHINES		
Automatic rotary corker developed by U. S. Bottlers Machinery Co	December	74
Semi-automatic bottle corker introduced by Horix Manufacturing Co	November	80
Corning Glass Works—Exhibit at New York World's Fair.	May	84
Three-in-one conveyor system	November	70
Corrugated board as display material	October	64
COSMETICS AND PERFUMERY		
Carded items for dime store trade	December	33
Champrel bubbling perfume demonstrator	December	63
Combination display and gift box utilized in promoting Vivani perfume; The Benjamin Ansehl Co	May	46
"Cream" in a set-up box; Powd'r-Base of Hampden Sales Association	September	48
Demijohn shape cologne bottle with urea base and ivory molded closure; Roger & Gallet	April	93
Display budget; proportion of total advertising budget	July	82
"Family resemblance" plus "group differentiation"; Greek border design plus color schemes; Woodbury	December	27
Flowery touch in packages and display of Summertime—a Fragrance; Charles of the Ritz	July	63
Government regulation of cosmetics. *See* Law and Legislation.		
"Little Lady" scores a hit; perfume in bottle blown in shape of old fashioned lady in billowing hoopskirt; Eisenberg & Sons	April	46
Lotion jar (over-size) with re-use value	May	36
Miniature bottles	January	46
Molded plastic nail polish containers	May	40
Novelty packages for summer; creams and lotions	July	31
Plastic containers, silver-lined; Metaplast Corp	March	244
Purse unit for Coty lipstick and rouge; four plastic parts	April	62
Sales promotion through demonstrators; possible elimination by Federal Trade Commission	July	48
Simplicity for cosmetics; packaging program of Germaine Monteil	January	45
State legislation. *See* Law and Legislation.		
Vitamins Plus as a beauty aid	November	60
"Yu" line of Harriet Hubbard Ayer, Inc.; "U" shaped bottles; set-up boxes	November	48
Cost reductions through systematized package planning.	September	54
Coty Inc.—Plastic purse unit for lipstick and rouge	April	62
COUNTER DISPLAYS		
Automatic demonstrators developed by C. D. Wood Electric Co.; stressing of sales points by realistic movement	December	63
Back bar display for tie-in with "Salute to the States" window display; Seagram Distillers Corp	October	60
Carved wood vanity box as display container for perfume bottles; The Benjamin Ansehl Co	May	46

Basic design of Dif Corp. products applied to corrugated containers	December	52
Dealer good-will, consumer satisfaction, economy through suitable shipping boxes	July	44
Display case for kit containing soap box scooter parts, etc.; Eagle Lock Co.	August	76
Display-containers for garden implements	April	94
Drumpak developed by Gaylord Container Corp.	May	92
Gift container for blankets; Hinde & Dauch Paper Company	May	31
How fruits march to market. Paul Work and Archie Van Doren	January	29
"Inside Story of Certified Fabrication," booklet by Container Corporation of America	December	82
"Levelbest" container developed by Fireboard Products, Inc.	May	90
Metal edge box convertible into paint brush display device; Osborn Manufacturing Co.	September	64
Metal strapping tool; The Stanley Works	July	70
Molded pulp container for collapsible tubes containing fire extinguisher; Quixy, Inc.	December	44
New model bottom stitcher developed by Ideal Stitcher & Manufacturing Co.	September	82
Pilferage proofing	October	56
Refrigerated express service	January	90
Shipping case opener; J. L. Ferguson Co.	February	84
Sift-proof containers for garden supplies; Hoffman Seed Co.	December	23
Standardizing design with other containers of Aluminum Co. of America	June	66
Wire tying machine by Harvey Machine Co.	July	72
Wooden shipping containers; summary of address by C. D. Hudson	April	86

SHIPPING PROBLEMS

Packing materials specifications; summary of address by R. L. Beach	April	87
Progress in packing; simplifying operations and minimizing number of container sizes; summary of address by T. L. Lussen	April	87
Protection against transport hazards; survey by Institute of Package Research	November	39
Shu-Kit Manufacturing Co.—Traveling case shoe shine ensemble	November	32

SILK SCREEN

Belt and brace displays of Pioneer Suspender Co.	April	67
Canadian technique	March	257
Counter cards simulating weekend bag; sales builder for Luxite underwear; Holeproof Hosiery Co.	January	71
Display card used with mortar board display of graduation gifts	May	48
Sleetex Co. (The)—Dispenser and displayer of windshield wiper blades and re-fills	January	68
Smith, Seymour & Son, Inc.—Display containers for garden shears	April	94

SOAPS AND CLEANSERS

Family relationship for Dif Corp. products and stationery	December	52
G-E is in the soap business	September	37
Streamlined bottling plant of Roman Cleanser Co.	December	70
Sparklets Corp.—Cartridge cartoning; special type of machine	March	265
Dispenser displays for Bulbs and Spark-Whips	October	68
Spice Mill—Sponsor of packaging contest; prize winners	December	36

SPORTING GOODS

Boxing the basketball; transparent display package of Wilson Sporting Goods Co.	November	40
Convenience for the hunter; shotgun shell container of Federal Cartridge Corp.	September	50
Convenient fishing line package devised by Ashaway Line & Twine Mfg. Co.	February	58
Sprague, Warner & Co.—Packaging program for frozen food products	January	40
Stanley Works (The)—Display of tools; use of humourous character figures	May	71
Shipping-display containers for garden tools	April	94

STAPLING

Plan carding in advance; use of staples. A. J. Paynter	February	77
Stark Bros. Ribbon Corp.—Ribbon cartons for syndicate stores	February	41
State legislation. *See* Law and legislation.		

STATIONERY

Desk blotter display cabinets of Wrenn Paper Co.	May	70
Let's look at stationery; box designs, wraps, materials, novelty shapes. Dorothy Staten	April	43

	Month	Page
STATIONERY ACCESSORIES		
Display and demonstration pen and pencil sets of The Wahl Co.	January	70
Molded plastic box providing both display and re-use advantages	May	40
Novel type of stamping pad for marking or imprinting on metal, cellophane, glass, etc. marketed by Clear Print Process Co.	December	74
Product protection in display of rubber eraser pencil caps; A. W. Faber, Inc.	August	77
